\*one or two of the hall times for junior tournaments may slightly incorrect as some tournaments used less hall time (often just using half of the second hall booked for U11 tournaments).

## Season summary for 2018/2019

---

### Area Squad Training:

Chris and I run this pretty much single handedly, and we remain concerned that:

- a) We are both Tigers coaches (one of the more regular volunteers is a Tiger)
- b) The children would get far more out of it if more people got involved

As ever, we would be more than happy to take budding coaches under our wings and mentor people that would like to come along and help but not necessarily take the lead. If youth korfbal is to keep flourishing, we need to maintain the intensity of area training – and that involves a great deal of buy in from clubs.

Thanks to Hannah Francis (Cambridge Tigers) for keeping a record of attendance and taking and recording the money for both sessions.

### Inter Area Competitions:

Last year I said these things were cyclical – and proved right in an overall improvement in our placings.

Worrying not to have 2 U13 teams entered.

<b>U11 - A – 3rd (+2)</b>	<b>U13 - A – 4th (-1)</b>	<b>U15 - A – 1st (+2)</b>	<b>U17 – A – 2<sup>nd</sup> (+0)</b>
<b>U11 - B - 8<sup>th</sup> (+0)</b>	<b>U13 - B – not entered</b>	<b>U15 - B - 5<sup>th</sup> (+1)</b>	<b>U17 – B – 6<sup>th</sup> (-0)</b>

**U19 – Cancelled and likely not to run again (see EKA documents for review of area competition)**

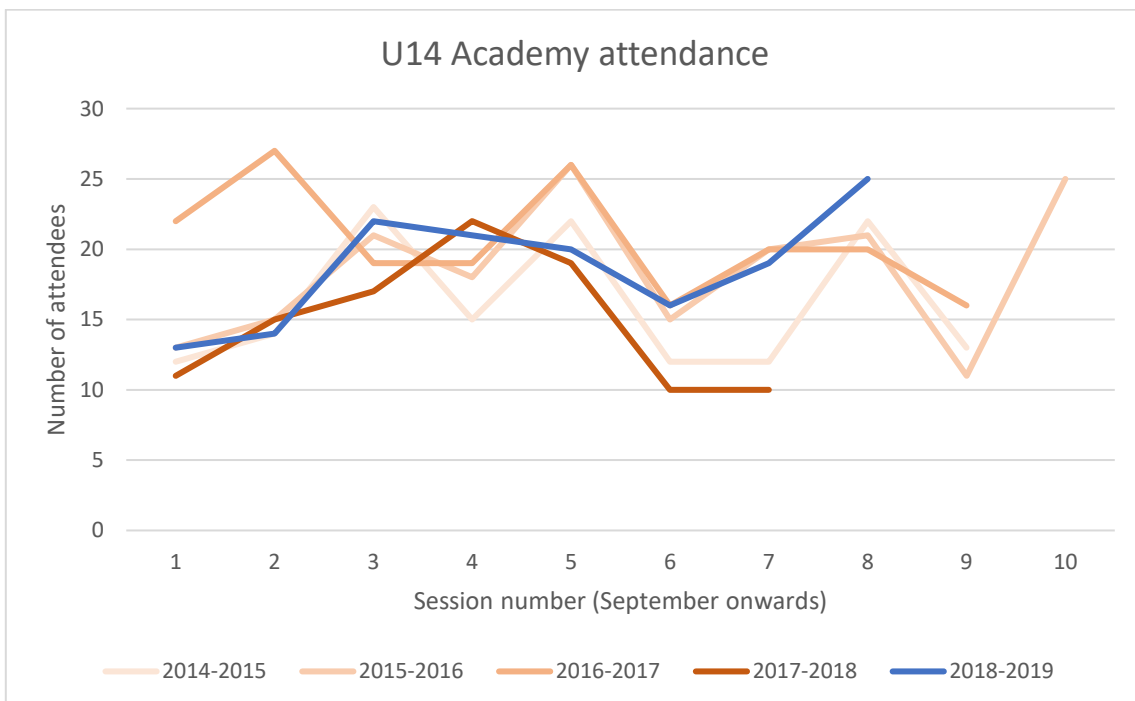

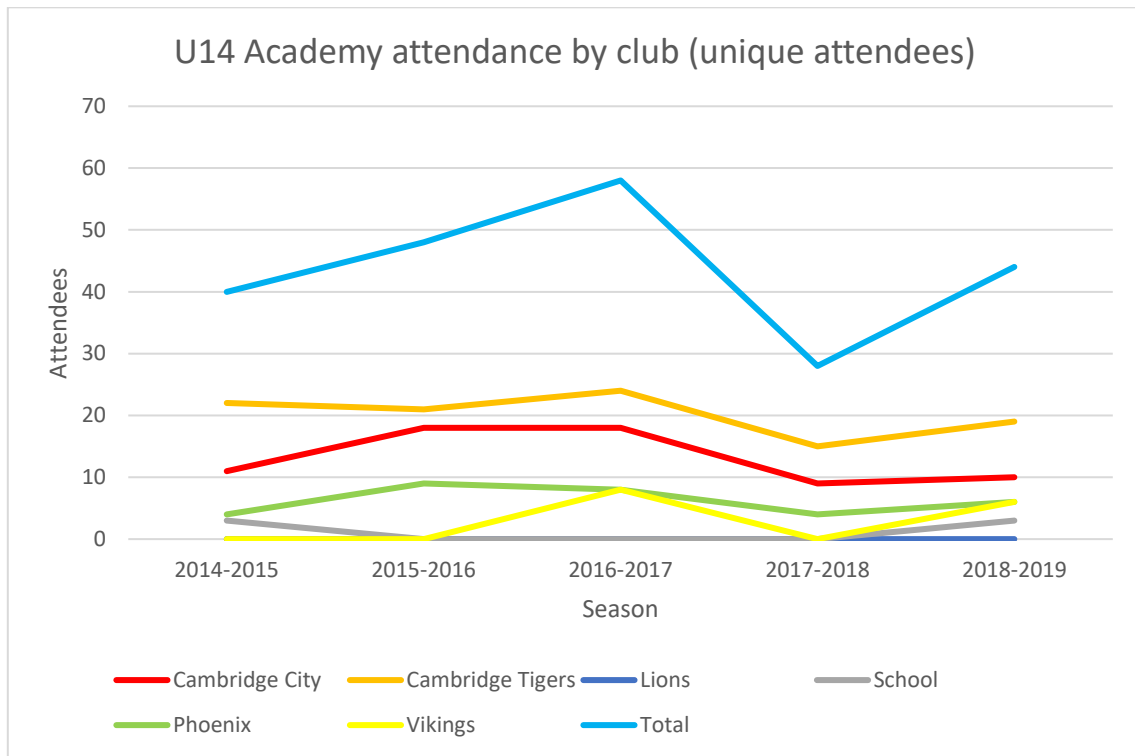

### Future Activity:

All good intentions but things didn't happen. Still on my to do list:

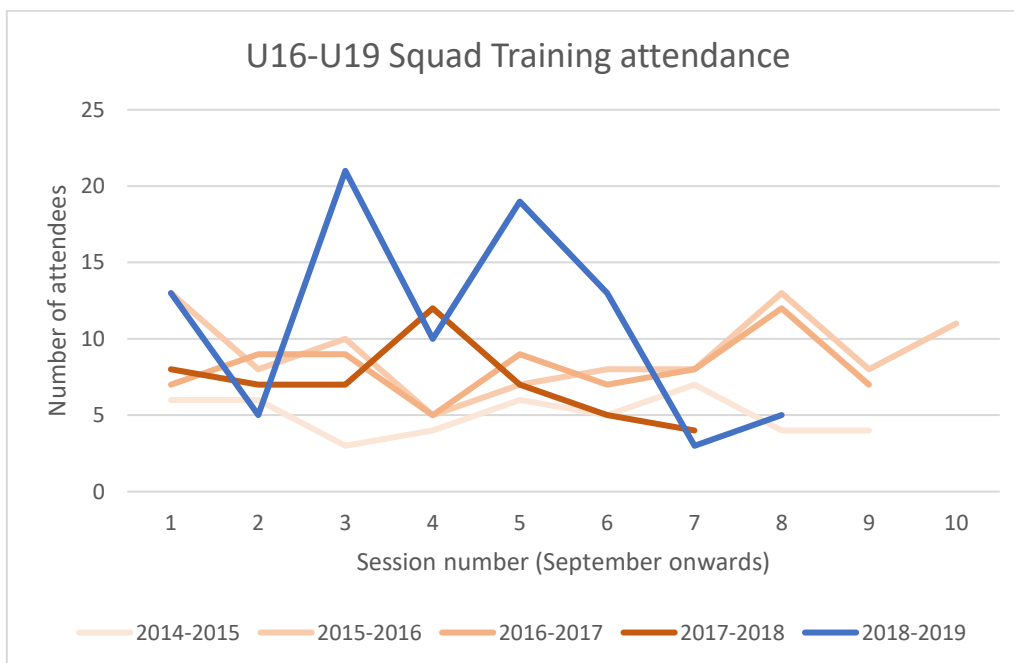

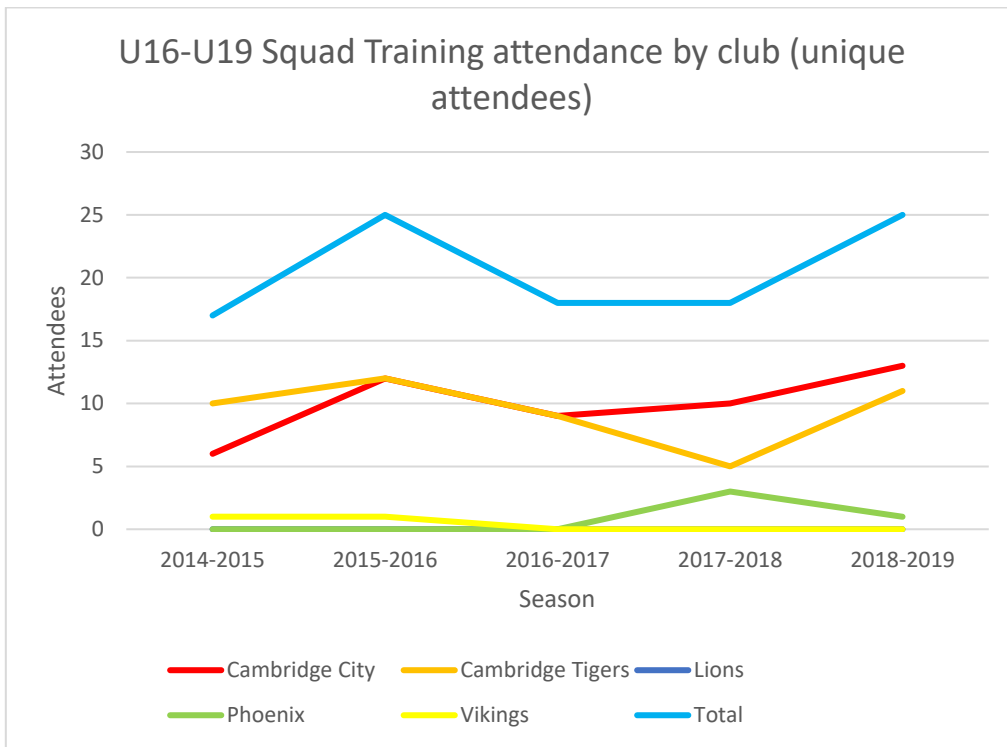

- Initiate a primary schools' tournament once a half term
- Hold a regular juniors sub-committee for knowledge sharing and joint initiatives
- Contact Schools Sports Partnership and initiate a plan for a model of working with a cluster of primary schools with their support

**CKA U14 Academy:** After a low attendance during last season, this season saw an increase across the board and more stable attendance after a slow start. Vikings managed to get 6 children engaged at various points as did Phoenix.

“Schools” is where year 6 students not currently affiliated to a club attend at the end of the season.

**CKA U16/U19 Training:** This age group continues to struggle on. But we do have successful and positive training sessions (sometimes pulling up more able ones from the group below if they are running at the same time).

### **U14 National League:**

The high point was 4 Cambridge Teams entering. The low point was that some teams pulled out of some matches, which left clubs without games. This also presents a problem of how to reimburse those teams who were able to field teams but didn't get a match, and were therefore unable to charge the children, leaving them out of pocket. We need to take this in to account and issue refunds to those teams who did not default in future seasons when we were able to cancel the hall.

Referees continue to be a strain for this competition. I will try to get non-Cambridge teams to bring referees where they can, but this is quite difficult. Every Cambridge club that has entered should aim to provide a referee to cover two games per event.

Congratulations to Cambridge Tigers who won it this year for the second year running.

		P	W	D	L	F	A	+/-	Pts
1 –	■ Cambridge Tigers U14 NL	14	13	0	1	169	54	115	26
2 –	■ Bearsted U14	14	11	1	2	170	39	131	23
3 –	■ Buckingham Royals MKX U14	14	10	1	3	139	74	65	21
4 –	■ Norfolk Dragons U14s	14	9	0	5	153	76	77	18
5 –	■ Cambridge City U14 NL team	14	5	1	8	102	107	-5	11
6 –	■ Ely Vikings U14	14	4	1	9	53	143	-90	9
7 –	■ Harrow Vultrix U14	14	1	0	13	8	121	-113	2
8 –	■ Cambridge Phoenix U14s	14	1	0	13	21	201	-180	2

**Local Tournaments:** Local tournaments have continued to be organised by Fiona Hill and Sue Carr – thanks to them for all their efforts and the various volunteers that they bring.

**National Youth Day 2019:** This was in Beckenham. Cambridge was represented only by Cambridge City and Cambridge Tigers again. Many parents felt that the day is too long and that the break in the middle (almost two hours) is unnecessary, only there really to ensure that all competitions end at the same time. I will feed this back to EKA competitions committee.

**England Youth Squads:** We had great success this year getting so many children into the youth squads. This is testament to the hard work of CKA club and area coaches.

**Schools Tournament:** Congratulations to St Matthews who won the tournament and got to play at the CopperBox at the Grand Finals and managed to win the National Schools Competition. Thanks to Mark Wassell, Ross Thomson, Jerram and Josh Dawes, Sarah West, Zoe Debarro and Jess Llewellyn for helping with running the event.

**Profit/Loss:** Phil has been responsible for all the bookkeeping so I will leave this to his report.

## Planned expenditure

---

- I will need to buy medals for the U14 National League. This money will already be in the CKA bank account at the start of the league in October as it is included in the entry fee.
- I would like to purchase a set of hoodies for the area squad attendees. This would require a down payment, which I would recoup in charges. Is it possible for the CKA to pay this?
- Girton Glebe would like some posts to continue korfbal, now that Chris White is moving on – can we help them out? Would we charge a fee if we pay for it all
  - 2 x baskets £72.99 each
  - 2 x bases and poles £188 each plus VAT
  - We have spare balls from Vikings, or £33 each
  
- Medals for a schools' tournament and certificates - £90
