

Minutes of the CKA Committee Meeting
11th March 1996

Present: Hughie, Jon G., Paul, Juin, Dave S., Adam, Scott, Morag, Dave R., Thea, Ginnie.

Apologies: Julian, Robert.

1. Minutes of the last meeting Julian, after initial concerns of work overload is happy to return to the post of Communications Officer.

2. League Issues Robert wanted to find out from captains when rescheduled matches were going to take place.

It was decided that after this year's league, the committee needs to readdress all of the issues that have come up during the season. By rules being made clear and consistent there should be no need for the committee to have to make decisions over individual cases.

3. Refereeing Issues There was a discussion over the inconsistencies that presently exist between Cambridgeshire and Bedfordshire clubs and again whether clubs should be penalised or individuals. Jon G. made the point that next season there will be far less discrepancy between the numbers of refs. coming from different clubs, hence the situation may be made easier.

4. The Junior Tournament This was held at Impington on Sat 10th Feb. A number of teams were entered from a variety of primary schools, both children and teachers had a great time! Thanks (mega) go to Scott.

5. The Summer Tournament 2.6.1996 Dave Sheldon was keen for information to go out about this tournament as soon as possible. Thea will be sending info. out to Friesland.

It was thought that one committee should co-ordinate both the Juniors and the Seniors. The juniors would be from 7 - 12 yrs old.

6. A.O.B.

a) The University won the National Championships, played brilliantly and obviously t**ted a certain other team in the process!!
