

Minutes of the CKA Meeting

June 1996

Present: Thea, Scott, Dave S, Paul, Hughie, Ginnie.

Apologies: Dave R, Janine.

There seemed to be a very poor turn out for this meeting. The committee members and club reps. are really urged to support the CKA.

1. Youth Report. Two Dutch players came to Cambridge to coach in a number of primary schools. They stayed with Liz Clarke, the project was organised by Scott.

The National Youth Training Day was held on 6th July in London and was supported by children from Cambridgeshire.

2. League Rules. A discussion was to be held between Thea, Paul and Robert about the issues involved. It was thought that the old system should be used again, whereby the clubs are responsible for fulfilling their own refereeing commitments.

It was agreed that a date should be set by which all games must be played.

It was thought that one set of rules should be valid for both divisions. The League should start by the second week in October, schedules and refereeing commitments should be out in advance.

3. Hughie has set refereeing exams for interested people to take, making sure that all club members had the opportunity to attend these sessions.

Coaching Courses (level 1 and 3) were advertised through team captains with a complete lack of response from members....perhaps the info. never reached them.

4. The University Tournament will be held on 7th December, Mark Griffiths is co-ordinating proceedings.

The Cambridge Tournament raised £300. Thanks go to everyone involved.

5. Plans for the development of korfbal in Cambridge need to be looked at seriously and addressed at the next meeting.

The date of the next meeting: THURSDAY 12th SEPTEMBER
7pm PRINCE REGENT.
